

REMARKS

Amendments to Specification

The specification has been amended to insert section headings and a Related Applications section in accordance with 37 CFR 1.77(c). No new matter has been added.

Amendments to the Claims

Claims 4-6, 8, 9, and 11-16 have been amended to remove multiple dependencies. No new matter has been added. Applicants reserve the right to pursue the claims as originally filed, or similar claims, in this or one or more subsequent patent applications.

CONCLUSION

It is respectfully submitted that this application is in condition for allowance. If there are any remaining issues, or the Examiner believes that a telephone conversation with Applicants' Attorney would be helpful in expediting prosecution of this application, the Examiner is invited to call the undersigned.
